

AMERICAN RIVER STRUCTURE PLAN

Help shape the future of American River

The Draft American River Structure Plan is open for community feedback

Kangaroo Island Council has been working with community members to prepare a Draft Structure Plan for American River.

Feedback open: 28 February to 5pm 11 April

- View the Draft Structure Plan on Council's website or printed copies at the American River Service Centre, the Penneshaw Community Business Centre and the Kingscote Council Office.
- If you need help accessing the online Draft Structure Plan or survey call Council Customer Service on (08) 8553 4500

Open now for feedback!

Scan the QR Code to review the Draft Structure Plan and complete the online survey.

SHAPE THE FUTURE OF AMERICAN RIVER

The Draft American River Structure Plan is open for community feedback.

Council has been working with the American River community to plan for the long term, identify new opportunities, and prioritise projects for the township.

The aim of the Structure Plan is to help provide a high standard of inevitability and enhance the attractiveness of the township.

Previous community consultation has helped to shape the draft Structure Plan and we now seek community feedback for a period of 42 days, closing **5.00pm, Tuesday 11 April 2023**.

The draft American River Structure Plan can be viewed on council's website at

www.kangarooisland.sa.gov.au/notice-board/consultations/american-river-structure-plan

If you need help access any of the information or filling in the survey, please call Customer Service on **8553 4500**.

POSITIONS VACANT

Multiple apprenticeship and traineeship opportunities are now open at Council.

Maxima, in partnership with the Kangaroo Island Council, has several apprenticeship and traineeship opportunities available across various industries.

These positions will see the trainees gain a nationally recognised certificate with all study paid, hands-on industry experience, and continuous mentoring from a dedicated Maxima Consultant.

COUNCIL MEETINGS

- Council Meeting**
10am Tuesday 14 March 2023
- Information Briefing Session**
9am Thursday 30 March 2023
- Council Meeting**
10am Tuesday 11 April 2023

BLACK DOG RIDE

CALL FOR REGISTRATIONS

Kangaroo Island Black Dog 1 Dayer - Sunday **19 March 2023**.

Black Dog Ride's iconic annual 1 Dayer aims to start a national conversation about depression and suicide prevention.

To learn more about the event and to register email Black Dog Rider KI Coordinator Stephen Dixon at kangarooisland@blackdogride.org.au or visit www.blackdogride.org.au.

EVENT ROAD CLOSURES

Notice of Road Closure: '1/4 mile Sprint Event' (KI Sprint)

In accordance with the Section 33(4) of the Road Traffic Act 1961 (the Act) Kangaroo Island Council gives notice that:

Arranmore Road, Cygnet River between Angle Pole Road and Hog Bay Road will be closed to traffic on:

Sunday 12th March 2023, between 7:00am and 5:00pm.

Notice of Road Closure and Speed Restrictions: New Shoots Music Festival 25th March 2023

Under Section 33 of Road Traffic Act, 1961: **Mary Seymour Lane, Penneshaw** between Middle Terrace and Lashmar Street will be closed to traffic between

4.00pm on Friday 24th March 2023 and 4:00pm on Sunday 26 March 2023.

Further details regarding the road closures and speed restrictions can be obtained from: Kangaroo Island Council Ph: **(08) 8553 4500**

NOTICE OF ROAD WORKS

Ten Trees Lagoon Road will remain closed from Playford Highway to North Coast Road for the purpose of Road construction and Stormwater Installation.

Road closure will be in effect from **Monday 13 February 2023** until further notice. Road closure will be reviewed regularly to ensure relevance.

Road will be made safe overnight to allow access for emergency vehicles if required.

PLAYFORD HIGHWAY SHOULDER SEALING

Kangaroo Island Council has been successful in obtaining \$5,732,402 under the Department of Infrastructure and Transport (DIT) Bush Fire Resilience Program, to seal the road shoulders of the Playford Highway between Parndana and West End Highway (approximately 33km).

This continues the work completed by DIT and managed by KI Council to seal the shoulders between Kingscote and Parndana on their portion of maintained Playford Highway.

Works have begun transporting road base material to the project site and from the 16th of January more significant traffic control will be in place when onsite works begin.

Works are expected to take approximately 2 months to complete with speed restrictions, and single lane traffic operation for much of the works. KI Council thanks you for your patience during the roadworks and is confident that the completed project will create a safer road environment for the western end of the Island.

The safety improvements in general provide the following;

- 3.3m wide sealed traffic lanes
- 1.2m wide sealed shoulders, with additional width on curves
- Sealed intersections of side roads
- New guard railing in high risk selected areas
- Widening of existing stormwater crossings
- New Line marking

Any questions relating to the project should be directed to the Kangaroo Island Council **8553 4500**.
