In accordance with Section 101 of the *Local Government Act 1999*, the Chief Executive Officer makes financial delegations or sub-delegations to employees of Council based on the following principles:

5.1. Schedule

- 5.1.1. The Schedule of Financial Delegations of Authority identifies Kangaroo Island Council's Financial Delegations at a positional level;
- 5.1.2. The Schedule of Financial Delegations of Authority will be reviewed by Council annually.
- 5.1.3. Finance Department will maintain an up-to-date Schedule of Delegations for the purpose of verification of authority.

5.2. Authority

- 5.2.1. The delegations are made (where practical) to Positions rather than specific employees;
- 5.2.2. Delegates may not further delegate their powers except, where there is evidence of an approved higher duties authorisation;
- 5.2.3. An employee formally acting in a position for a specific period of time can exercise the same level of delegation as the substantive occupant to that position provided the substantive occupant is absent for at least one full working day and an authorised higher duties form is held by the HR department;

- 5.2.4. Delegations are granted provided that the delegate complies with all Council Policies and Legislative requirements;
- 5.2.5. All delegations refer to being “within approved budget”; such delegations continue to apply for matters where a separate resolution of Council has been made subsequent to the budget being adopted;
- 5.2.6. Finance delegations are to be reviewed on an annual basis or earlier if circumstances require;
- 5.2.7. Delegations can be wholly or partially revoked at any time by the Chief Executive Officer or the Departmental Manager to whom that delegate is accountable provided that the Chief Executive Officer has been advised of the reasons for the temporary and/or the permanent change;

- 5.3.2. Any delegation to incur expenditure, or liability must be exercised within the limits of the relevant approved budget or other approved source of funds. Any proposed expenditure on items not contained within the approved budget must be referred to the Chief Executive Officer for approval by Council.
- 5.3.3. A delegate can only exercise authority with respect to the total transaction value, exclusive of GST.
- 5.3.4. If there is any increase in the cost of a transaction, then the delegate who approved the original transaction must approve that variation provided that the sum of the variation and the original cost of the transaction does not exceed the delegate’s limit of authority for that type of transaction.
- 5.3.5. If the sum of the variation and the original cost of the transaction exceed the delegate’s limit of authority for that type of transaction, a delegate with the appropriate level of authority must approve that variation.
- 5.3.6. If the sum of the variation and the original cost of the transaction exceed senior manager delegation limits for that type of transaction, then the CEO must be made aware of this variation.
- 5.3.7. Where a commitment for a financial transaction has been entered into by an appropriately delegated officer, it is not necessary for progress payments to be authorised by that delegate if a lower band delegate has the delegation to

authorise these progress payments, provided that the aggregate of the progress payments does not exceed, and remains within, the approved budget.

5.4. Levels of Authority

5.4.1. Only Council employees with delegated authority pursuant to Section 44, 101 and 137 of the Local Government Act 1999 can incur expenditure on behalf of the Council.
