## AMERICAN RIVER STRUCTURE PLAN

### HELP SHAPE THE FUTURE OF AMERICAN RIVER

The Draft American River Structure Plan is open for community feedback.

Council has been working with the American River community to plan for the long term, identify new opportunities, and prioritise projects for the township.

The aim of the Structure Plan is to help provide a high standard of liveability and enhance the attractiveness of the township.

Previous community consultation has helped to shape the draft Structure Plan and we now seek community feedback for a period of 42 days, closing 5.00pm, Tuesday 11 April 2023.

The draft American River Structure Plan can be viewed on Council's website at [www.kangarooisland.sa.gov.au/notice-board/consultations/american-river-structure-plan](http://www.kangarooisland.sa.gov.au/notice-board/consultations/american-river-structure-plan)

A printed copy will be available for inspection at the Council's Kingscote Office, American River Service Centre, and Penneshaw Community Business Centre.

Council is seeking written feedback via survey available at [www.surveymonkey.com/r/FTNTBDQ](http://www.surveymonkey.com/r/FTNTBDQ). It should take less than ten minutes to complete.

If you need help accessing any of the information or filling in the survey, please call Customer Service on **(08) 8553 4500**.

## NOTICE OF ROAD WORKS

Ten Trees Lagoon Road will remain closed from Playford Highway to North Coast Road for the purpose of Road construction and Stormwater Installation.

Road closure will be in effect from **Monday 13 February 2023** until further notice. Road closure will be reviewed regularly to ensure relevance.

Road will be made safe overnight to allow access for emergency vehicles if required.

## POSITIONS VACANT

Multiple apprenticeship and traineeship opportunities are now open at Council.

Maxima, in partnership with the Kangaroo Island Council, has several apprenticeship and traineeship opportunities available across various industries.

These positions will see the trainees gain a nationally recognised certificate with all study paid, practical industry experience, and continuous mentoring from a dedicated Maxima Consultant.
