GUARD RAIL SAFETY IMPROVEMENTS

Guard Rail Safety improvements to Playford Highway, west of Parndarna, will commence on the **26th of May**. Traffic control will be in place and is expected to take one week.

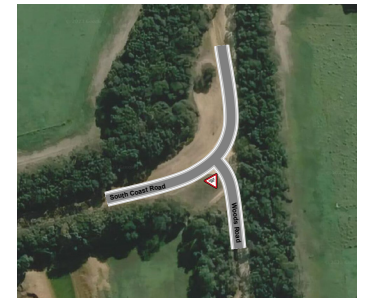

INTERSECTION REALIGNMENTS

As part of the South Coast Road upgrade, Council's road construction crew have realigned two intersections to increase the safety of road users.

The intersection of South Coast Rd with Starrs Rd and Willsons Rd has been offset to increase the awareness of the intersection to approaching side road traffic.

The intersection of South Coast Rd with Woods Rd has Woods Rd joining at an increased angle to improve the sight distance in both directions for vehicles entering the South Coast Rd.

SA WATER NOTICE OF WORKS

SA Water are currently undertaking various works for a period of approximately four months to September 2023 at the SA Water Tank site adjacent to the Kingscote Cemetery. These works may require intermittent access via the Cemetery gateway, driving in from Seaview Rd, turning into the Cemetery and entering the SA Water land through existing (widened) gate opposite the Portico.

This **will not** interrupt public access to the Cemetery and SA Water alternate access will cease during activities at the Cemetery to avoid disruption or disturbance.
