Audit & Risk Committee Meeting

12.00 pm Wednesday, 24th July 2024

Council Informal Gathering

9.00 am Thursday, 27th June 2024

Council Meetings are held at the Kangaroo Island Council Chambers, 43 Dauncey Street, Kingscote.

Agendas and minutes from the meetings are published online and can be viewed on the Kangaroo Island Council website www.kangarooisland.sa.gov.au

WHAT'S HAPPENING @ THE LIBRARY

Now More than Ever: In acknowledgement of Reconciliation Week, our Library Story Time activities focused on celebrating First Nations culture.

Sally Morgan was the focus author and the children explored positive self-identity and native animals. The children then participated in a First Nations symbol rock hunt around the library and created self-portraits puppets celebrating what makes them special.

Join us weekly for STORY TIME on Thursdays at 11.00am in the Kingscote Library as we come together for shared reading, music, movement and craft activities.

Join us to celebrate Settlement Day

Friday 26th July 2024

10:30am Settlement Day Ceremony
Pioneers Memorial, Kingscote Esplanade

Young Achiever of the Year Award Presentation

11:00am FREE Community Morning Tea
Kingscote Council Chambers
All welcome

Supported by
Kangaroo Island Pioneers Association
Kingscote National Trust / Hope Cottage Museum
Kangaroo Island Council

The 2024 Settlement Day ceremony is occurring on Friday 26 July 2024 instead of Saturday 27th July, to enable youth and students to attend.

WORKS & INFRASTRUCTURE UPDATES

Patrol Grading Schedule

Council graders are continuing to conduct maintenance of our unsealed roads. The recent rains will assist our team in carrying out this work.

The grading schedule can be accessed on the Kangaroo Island Council website as follows:

<https://www.kangarooisland.sa.gov.au/services/infrastructure/road/unsealed-road-grader-program>

Please observe traffic signage and take care when in the vicinity of graders and moving plant.

Freycinet Way Penneshaw – CWMS (Community Wastewater Management System) Project

Works have been undertaken to trench the road crossing at the intersection of Hog Bay Road and Cape Willoughby Road, Penneshaw. The works included the installation of a 150mm diameter gravity sewer main associated with the CWMS upgrade, which was connected to the existing network.

The installation of the new pipework to Cape Willoughby Road and Freycinet Way is on target to be complete by the end of July 2024.

We appreciate your patience while these works continue to progress, please observe traffic signage and follow the direction of traffic controllers in the area.

Seagers Road, MacGillivray – Resheeting & Stormwater Project

Stormwater upgrade works are continuing to progress at Seagers Road. The installation of pipe and headwalls on many of the culvert crossings will increase the longevity of the pavement by improving water drainage around the road infrastructure.

Following the completion of the stormwater culvert installations, the final trimming of the road surface will see the project being complete by the end of June 2024.
