## 2024 ROAD RESEAL PROGRAM

Kangaroo Island Council undertakes annual bitumen resealing work on our sealed road network to rejuvenate and extend the life of roads and streets. The bitumen resealing process consists of spraying a thin film of bitumen across the road surface and then adding small stones on top of the bitumen film. This forms a durable waterproof layer on top of the road, can improve the skid resistance of the road surface, and reduces the occurrence of potholes and cracks.

Council will undertake our reseal program this year via our contractor from **Thursday, 21 March, until Monday, 25 March 2024.**

Please follow the traffic management while this work takes place and be aware that you may encounter delays.

Portion of the following roads will be resealed:

ROAD	REGION	START	END
Mobilisation Esplanade	Kingscote	Buller St	McLaren St
Rawson St	Kingscote	Centenary Ave	Giles St
Centenary Ave	Kingscote	Todd St	Rawson St
Addison St	Kingscote	Karatta Tce	To end
Dauncey St	Kingscote	Cygnets Rd	Wheaton St
Commercial St	Kingscote	Intersection	
Brownlow Ave	Kingscote	Brownlow Rd	Lovering St
Africaine Tce	Kingscote	Brownlow Ave	Rapid Rise
Franklin St	Kingscote	Cygnets Rd	Wheaton St
North Coast Road	Wisanger	1km north of North Cape Rd	Emu Bay Rd
Emu Bay Rd	Wisanger	North Coast Rd	700m North
Wedgewood Rd	Seddon	Rowland Hill Hwy	Airport Rd

## PENNESHAW

Council is extending the Community Wastewater Management System (CWMS) in Penneshaw.

Upgrading and extending the sewer network is occurring for residents in Freycinet Way and on the northern end of Cape Willoughby Road.

The contractor will be on-site from **18 March 2024** to begin work. The project involves excavating trenches and roadworks.

Residents are kindly asked to observe all signage, traffic control measures, and barricading.

Pending weather conditions, this work is due for completion by the end of **July 2024.**

The Council apologises for any inconvenience these works may cause.

## PUBLIC CONSULTATION – CAPE JERVIS

The Department of Infrastructure and Transport (DIT) has developed a draft of the **Cape Jervis Harbour Precinct Master Plan**, which is now available for feedback.

Master plans aim to set a clear strategic and coordinated framework for assessing potential future developments within the precinct and inform future funding considerations for all levels of Government.

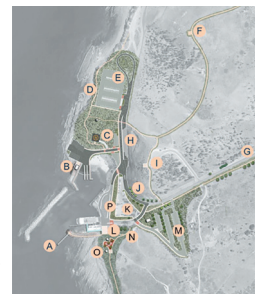

Feedback on the draft Master Plan is open until **Sunday, 21 April 2024.**

You can complete a short survey to provide your feedback online.

If you would prefer to provide feedback in person, drop-in community information sessions are being held at the Cape Jervis Community Club:

- **Friday, 15 March 2024**, anytime between 5 pm and 7 pm
- **Saturday, 16 March 2024**, anytime between 11 am and 1 pm

To learn more about the draft Cape Jervis Harbour Precinct Master Plan, provide feedback, scan the QR code, or visit [www.dit.sa.gov.au](http://www.dit.sa.gov.au)

## SEA EAGLE WAY

Road remediation work on Sea Eagle Way at American River is now complete.

Council thanks the residents for their patience during these works.

We would also like to thank the contractor, Downer EDI, for delivering this work as planned.
