WHAT'S HAPPENING @ THE LIBRARY

Join us weekly for STORY TIME on Thursdays at 11.00am in the Kingscote Library as we come together for shared reading, music, movement and craft activities.

COUNCILS NEW STRATEGIC PLANNING AND REPORTING FRAMEWORK

Kangaroo Island Council is introducing a new strategic planning framework: **Integrated Planning and Reporting (IP&R)**, which begins with your – the community's – aspirations for the future. So, we would like to hear from you about your ideas and priorities for the future of Kangaroo Island.

Join us at one of our Community Engagement Workshops and tell us;

- What makes KI a great place to live? Why is it special to you?**
- What do you value most about KI and our community?**

Imagine our community in ten years from now – what does it look like?

Which services would you like to see more of?

What does a bright future for KI look like? How we will get there?

Come along to a community engagement session below to make sure your thoughts and ideas are included:

- Dudley District Hall, Tuesday 23 July 6-8pm
- Kingscote Town Hall, Thursday 25 July 6-8pm
- Western Districts Sports Club, Saturday 27 July 11am-1pm
- Vivonne Bay General Store, Sunday 28 July 10am-1pm
- Parndana Town Hall, Sunday 28 July 1.30-3.30pm
- American River Town Hall, Monday 29 July 6-8pm

WORKS & INFRASTRUCTURE UPDATES

Freycinet Way Penneshaw – CWMS (Community Wastewater Management System) Project - Cape Willoughby Road

Freycinet Way - Penneshaw

The contractor has completed road crossings across Cape Willoughby Road, Penneshaw.

The final section of pipework along Freycinet Way will be completed within the next fortnight and should be followed by testing and commissioning and temporary restoration of road surfaces. Motorists are asked to continue to follow traffic signage and the directions of traffic controllers in the area.

Seagers Road, MacGillivray

Seagers Road, – Resheeting and Stormwater Upgrade - update

Stormwater upgrade works are now completed for the Seagers Road project South Coast Road to Hawks Nest Road section. The contractor is nearing completion with the final trimming and cleaning up of spoil and is on target to complete works by the end of the June. Please ensure traffic control signage including detours are followed and directions from traffic controllers are observed.

Gregors Road, Seddon – Resheeting and Stormwater Upgrade – update

The Council construction team have completed stormwater and resheeting works to the Gregors Road project. A total of 12,000 tons of Ironstone and crushed limestone material was blended and installed along the 5km length of this project. This work was carried out as part of the unsealed roads upgrade program.

Reeves Point Public Toilet Facility Upgrade, Kingscote

Council is pleased to advise that works are about to commence on a project to upgrade the toilet facilities at Reeves Point to incorporate a flushing system. A local contractor will shortly be undertaking excavation and trenching works in the area behind the existing facility.

Temporary facilities will be provided at Reeves Point for the duration of these works which are anticipated to be completed before the end of July.

Council apologises for any inconvenience while these works are under way and ask that the public stay clear of any construction activity while this upgrade is carried out.

The closest permanent toilet block facility to the Reeves Point temporary toilets during this project period are at Memorial Park Kingscote or within the Council Office at 43 Dauncey Street Kingscote.

We appreciate your understanding whilst this upgrade to the facilities is occurring.
