

TOWN CENTRES PROJECT UPDATE: 28 APRIL TO 5 MAY

CONSTRUCTION WORKS

The paving and kerbing work on the North West side are in their final stages, with planting and furniture installation still to come. After a week's break during the busy Easter period through to the ANZAC weekend, Axiom are undertaking demolition on the SE side from the Murray Street end while completing the remaining details on the North West side. Temporary covers and barriers are in place on the NW side where Telstra Network Integrity is being engaged to undertake adjustments to their infrastructure using a registered contractor.

BUSINESSES ARE OPEN - SHOP LOCAL

Our Dauncey Street businesses are trading as normal. Come down and check out the new work while supporting our local traders.

DAUNCEY STREET - SPEED LIMIT AND PARKING

Dauncey Street remains accessible to vehicles and pedestrians, with a reduced 25kph speed limit during the construction. Line marking of parking will be completed once the road is resurfaced in June, but in the meantime parallel parking is now available on the North West side. Some barriers will remain and temporary restrictions to the angled parking will be in place as the construction moves along the South East side of Dauncey Street towards Commercial Street. Council reminds the community and visitors that there is ample street parking available in the precinct, and 4 hour parking is also available behind the Council building, accessible from Osmond Street.

WALK SAFELY TO SCHOOL DAY

National Walk Safely to School Day is a community initiative that aims to raise awareness of the health, road safety, transport and environmental benefits that regular walking (especially to and from school) can provide for the long term well-being of our children.

Now in its 23rd year, the annual event has joined forces with National Road Safety Week (15 – 22 May) to further draw the spotlight on road safety and support the importance of regular walking, not just on 20 May, but every day.

For more information and to register your school, visit <https://www.walk.com.au/WSTSD/>
