

COUNCIL MEETINGS

Information Briefing Session
9.00 am on Thursday 28 March 2024
9.00 am on Thursday, 18 April 2024

Council Meetings
11.00 am on Tuesday 9 April 2024
11.00 am on Tuesday 14 May 2024

PROJECT UPDATE TEN TREES LAGOON ROAD

Council recently completed line marking on Ten Trees Lagoon Road. Guardrails will be installed at the intersection of Ten Trees Lagoon Road and North Coast Road. Depending on weather conditions, work to install the guardrails will be completed by early April 2024.

PROJECT UPDATE REDBANKS ROAD

Following negotiations, the Council received a financial contribution from SA Water to enable the Council to complete a full road rehabilitation at American River.

Council has engaged Downer EDI Works, a contractor, to fix the section of Redbanks Road between Buick Drive and the end of the bitumen.

Works started on **Friday, 22 March 2024**, and, depending on weather conditions, are due for completion by **Friday, 12 April 2024**.

In the meantime, traffic management and warning signs will be in place. Council will conduct dust suppression until construction on the road begins.

We ask road users to please adhere to posted speed limits and drive safely. We apologise for any inconvenience while this work takes place.

PROJECT UPDATE PENNINGTON BAY

The contractor is making good progress on this project. The upper section of the steps is nearing completion, and the lower section steps are currently being manufactured. The work is on target to be completed by the end of June. Access to the public toilet remains open to the community. We kindly ask that until work to install the new beach stairs is complete, please do not enter this construction site.

VISIT TO KICE'S PARNDANA CAMPUS

Council's Built Environment Designer Louise recently attended KICE's Parndana Campus to help the Year 2/3 and 4 classes design a courtyard between two existing classrooms.

The students learnt about the design process and what a landscape architect does.

The students then worked enthusiastically in small groups to create their own designs.

We look forward to seeing how the ideas of these junior designers evolve!

PENNESHAW LIBRARY SERVICE

Residents of the Dudley Peninsula can now pick up books and other library items from the **Penneshaw Community Business Centre (PCBC)**.

Library users can obtain a library card from Kingscote Library and then books can be ordered via the Libraries SA application. For assistance in this process please contact the friendly staff at the Kingscote Library by phoning 8553 4500, or email library@kicouncil.sa.gov.au

Residents can drop off library items any time at the PCBC. Ordered items will be available to be picked up every Wednesday afternoon after 3.00 pm.

For more information about the Libraries SA app and how to download it visit: www.libraries.sa.gov.au

PUBLIC CONSULTATION

KANGAROO ISLAND REGIONAL PLAN

Have your say and help shape the future of Kangaroo Island

Find out more at: yoursay.sa.gov.au/kangaroo-island-regional-plan

Government of South Australia
Department for Trade and Investment

The State Government's Planning Commission have prepared the **draft Kangaroo Island Regional Plan (KIRP)** with input gathered from the Kangaroo Island community and stakeholders in the previous phase of engagement.

The KIRP starts the conversation about future change, where new housing and employment growth should be located and what types of housing diversity may be needed.

This is your opportunity to provide input into the KIRP and help determine the needs and wants of current and future communities and where and how you feel the Island should grow.

Have questions? The State Planning Commission will be holding the following community information sessions:

- **Parndana Town Hall** from 12.00 pm until 4.00 pm
- **Penneshaw Town Hall** from 12.00 pm until 4.00 pm
- **Kingscote Town Hall** from 12.00 pm until 4.00 pm

To learn more about the KIRP and have your say by visiting [https://yoursay.sa.gov.au/kangaroo-island-regional-plan](http://yoursay.sa.gov.au/kangaroo-island-regional-plan)

Consultation closes on **Friday 6 June 2024**

PUBLIC CONSULTATION

Last chance to have your say on the **Parks of Eastern Kangaroo Island Draft Management Plan**.

The State Government has developed the Parks of Eastern Kangaroo Island Draft Management Plan has been developed to outline long-term objectives and strategies to manage 11 conservation parks across eastern KI.

The draft plan outlines management for Baudin, Beatrice Islet, Busby Islet, Cape Willoughby, Cygnet Estuary, Dudley, Lashmar, Lesueur, Nepean Bay, Pelican Lagoon and Simpson conservation parks.

Your feedback will help shape how the parks are managed into the future.

You can obtain a hard copy of the draft plan from the Department for Environment and Water at 37 Dauncey Street, Kingscote.

To learn more about the plan and have your say please visit: <https://yoursay.sa.gov.au/eastern-ki-plan>

Consultation closes on **31 March 2024**.

PUBLIC CONSULTATION

The State Government is updating South Australia's bushfire hazard mapping and overlays in the Planning and Design Code.

Bushfire hazard area mapping has been undertaken for parts of the state where the areas mapped are considered to be higher risk areas, with the application of 'high', 'medium', and 'general' bushfire risk areas.

This updated bushfire hazard mapping will be incorporated into the bushfire hazard overlays of the South Australian Property and Planning Atlas (SAPPA). The draft Code Amendment enables future updates to bushfire risk ratings and hazard mapping without undertaking a Code Amendment process.

Kangaroo Island has been classed as mostly high (in red on the map) and medium (in blue on the map).

It is critical that residents of Kangaroo Island have their say about the planned changes to the Planning and Design code and learn how it will affect future development on KI.

To learn more about changes to the Planning and Design Code please visit: <https://yoursay.sa.gov.au/state-wide-bushfire-hazards-code-amendment>

Consultation closes **Friday, 5 April 2024**.
