TOWN CENTRES PROJECT UPDATE

CURRENT WORKS

With Penneshaw, American River and Kingscote now practically complete, Axiom Projects have started completing the defects across the three townships. Other minor works and installation of furnishings will continue to be completed by Council in Kingscote and Penneshaw. A local contractor will complete the Penneshaw limestone retaining wall in early April.

PARNDANA SET TO COMMENCE IN APRIL

In the first week of April, contractors in Parndana to start the Town Square upgrade. Council still needs to formally engage a contractor for the kerbing work. However, the priority remains the town square paving, planting and pergola. Disruption to businesses and pedestrians should be minimal, but the project team will provide updates as the work progresses. Council has been advised the work will take 4-5 weeks.
