PUBLIC CONSULTATION – MANAGEMENT OF COMMUNITY ASSETS

Do you have a spare six minutes?

Council is seeking your feedback on our current plan for managing community infrastructure and assets.

We're asking the community to rank the priority of renewal and upgrade of assets. For example - do you rank roads as more important than campgrounds?

To provide feedback, please scan the QR code or visit this link to take the short survey:
www.surveymonkey.com/r/WXLBGGLD

Your feedback will inform Council's Infrastructure and Asset Management Plan (IAMP) that details information about community infrastructure and assets under the care and control of the Council.

The IAMP outlines the actions required to provide an agreed level of service in the most cost-effective manner while outlining associated risks. The plan defines the services to be provided, how the services are provided and what funds are required over a 10-year planning period with consideration given to the following 10 years.

The full IAMP is available for inspection or purchase at Council's Kingscote Office and the Penneshaw Business Centre or online on Council's website
www.kangarooisland.sa.gov.au/notice-board/consultations

The survey and consultation close at 5:00pm,
Thursday 18 January 2024.
