Information Briefing Session

9.30 am Thursday, 24 October 2024

BYLAWS

Upcoming Changes to By-Laws Commencing October 20th, 2024

Bin Collection: new by-laws will take effect, bringing important changes to how residents manage their waste. Under the updated regulations, bins must be placed out for collection only after 4 pm the day before pickup. Additionally, bins are to be retrieved by the end of the collection day. This adjustment aims to streamline waste management and enhance neighbourhood cleanliness. We appreciate your cooperation in keeping our community tidy!

Are you dealing with persistent issues with wildlife rummaging through your bins? The Resource Recovery Centre on the North Coast Road, offers practical solutions, including clips designed to keep your bin lids securely fastened before collection. Just be sure to remove the clips before the waste collection team arrives.

Keeping of Livestock, Fowl and Bees:

This by-law ensures harmony in our urban areas while protecting the local environment. It outlines guidelines for residents keeping animals like chickens, bees, or goats in townships.

Residents can keep up to six hens (excluding guineafowl) on their property without a permit, provided all are female and contained—no free roaming allowed! Free ranging can expose them to predators, vehicles, and disease, as well as create nuisances for neighbours.

If you wish to keep more than six hens, livestock, or raise bees, a permit is required. Each application is assessed individually. Let's work together to keep our island a wonderful place for both residents and animals!

For further information, please see <https://www.kangarooisland.sa.gov.au/council/publications-and-documents/bylaws>.

PUBLIC NOTICE

Kangaroo Island Council is pleased to announce that the boat ramps at Emu Bay and Baudin Beach will continue to be free of charge for public use. Residents and visitors alike can enjoy these facilities without the need to purchase a ticket. This initiative aims to encourage more residents and visitors to take advantage of our beautiful coastal areas and support local tourism and recreation. While the boat ramps remain free, all normal terms and conditions of use still apply. This exemption does not extend to commercial fisheries, which are required to adhere to purchase a commercial use permit.

We encourage everyone to take advantage of these beautiful locations and enjoy their time on the water.

For more information, please contact Council at www.kangarooisland.sa.gov.au or 8553 4500.

COMMUNITY CONSULTATION

How to View the Documents and Provide Feedback for ALL Current Community Consultations:

Printed copies of the documents are available for inspection and purchase at the Council's Kingscote Office and the Penneshaw Community Business Centre. They can also be viewed or downloaded from the Council's website at www.kangarooisland.sa.gov.au/notice-board/consultations.

Have Your Say:

- Website: www.kangarooisland.sa.gov.au/notice-board/consultations & fill in online form.
- Email your feedback to kicouncil@kicouncil.sa.gov.au
- Post your feedback to PO Box 121, Kingscote SA 5223 or drop off to Council's Kingscote Office or the Penneshaw Business Centre.
- For further information contact: Customer Service on 8553 4500.

Draft 2024-2034 Community Strategic Plan and 2024-2028 Delivery Program Now Open for Feedback

The Kangaroo Island Council is pleased to announce that it is advancing to the second stage of community consultation for the Draft 2024-2034 Community Strategic Plan and the Draft 2024-2028 Delivery Program. This marks a key milestone in our commitment to ensuring that our strategic planning is community driven.

Building on insights from initial engagement sessions, the drafts incorporate major themes and aspirational goals. They reflect our effort to align Council resources with community needs while advocating for enhanced services from state and federal governments, as well as commercial and not-for-profit organisations, with the aim of enhancing the quality of life for Kangaroo Island residents.

These drafts integrate previously adopted Council plans and outline operational tasks required by legislation. Notably, while some items may not have emerged from community feedback due to their administrative nature, they are crucial for compliance and effective governance. The Delivery Program includes forecasts for major works over the next four years.

Once endorsed, these plans will guide the development of Annual Business Plans detailing specific projects and performance measures. This approach ensures that Council can efficiently plan and manage resources while remaining adaptable to emerging needs.

The draft 2024-2034 Community Strategic Plan and 2024-2028 Delivery Program are now available for community consultation. We invite community members to review the documents and provide feedback.

Community consultation will be open for 21 days, starting Thursday, 19 September 2024, and closing at 5:00 PM on Wednesday, 9 October 2024.

TOWARDS 2034

Our Island, Our Future

COMMUNITY CONSULTATION COMMUNITY LAND MANAGEMENT PLANS

What Are Community Land Management Plans?

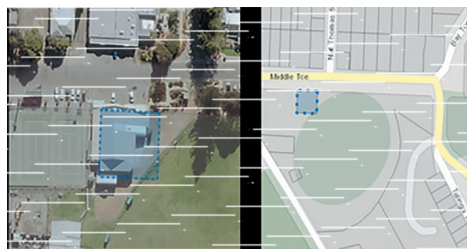

Under the Local Government Act 1999, the Council is required to prepare and adopt a Community Land Management Plan (CLMP) for all community land. This includes all local government land owned by the Council or under its care and control, such as dedicated Crown Land, except for roads. Such land is classified as community land unless the Council has resolved to exclude it from this classification or has revoked its community land status.

A CLMP is necessary if the land has been or will be specifically developed, modified, or adapted for community benefit and enjoyment, or if the land is occupied under a lease or license. These plans detail the management and maintenance strategies for land held for the community's use and enjoyment.

The Council is currently reviewing several Data Sheets within the CLMP that require amendments to comply with the Local Government Act 1999 and to update management proposals for the land. At its meeting on 10 September 2024, the Council resolved to seek community consultation and is inviting interested persons to make written submissions in relation to the following proposed amended Community Land Management Plan (CLMP) Data Sheets:

Community Land Data Sheet – Dudley District Hall and Penneshaw Community Business Centre Management Plan.

Community consultation will be open for 21 days, starting Thursday, 12 September 2024, and closing at 5:00 PM on Wednesday, 2 October 2024.

Community Land Data Sheet – Baudin Beach Reserves (including Sabel Reserve) Management Plan.

This Data Sheet contains two parcels of land designated as Reserves which are owned freehold by the Kangaroo Island Council. The Data Sheet has been named Baudin Beach Reserves including Sabel Reserve to assist with land identification and to acknowledge that part of the land was formally named a public place "Sabel Reserve" in December 2023.

Community consultation will be open for 21 days, starting Thursday, 26 September 2024, and closing at 5:00 PM on Wednesday, 16 October 2024.

COMMUNITY CONSULTATION PROPOSED LEASES

The *Local Government Act 1999* requires Council to consult on all leases of community land greater than 5 years. At its meeting on 10 September 2024 Council resolved to seek community consultation for 21 days as follows:

We are inviting interested persons to make written submissions in relation to the following matters.
