Draft Long Term Financial Plan 2026/27 – 2035/36
The Long Term Financial Plan is a key strategic document that outlines Council's projected financial position over the next ten years and guides decision-making around services, infrastructure, asset renewal and financial sustainability.

The revised plan reflects updated financial information, current economic conditions, Council's adopted Annual Business Plan and strategies to improve Council's long-term financial sustainability.

Key priorities include responsible debt management, maintaining community infrastructure and strengthening Council's financial resilience.

Council invites residents, ratepayers and stakeholders to review the draft plan and provide feedback.

Key dates: Consultation is open between Thursday, 15 October and 5pm Wednesday, 4 November 2026

Proposed Penneshaw Cemetery Columbarium
Council's proposed endorsement of a columbarium to be built in the Penneshaw Cemetery is now open for community consultation.

The proposal has been submitted by the Penneshaw Progress Association and would see two limestone walls constructed with niches intended for the storage of cremated remains. The proposed location of the columbarium is not within in the area that is the key focus of the cemetery's heritage listing.

Penneshaw Progress Association will fund the construction of the columbarium with the Council providing some in-kind support with earthworks if applicable.

How to access details of the proposed columbarium: www.kangarooisland.sa.gov.au/notice-board/news-and-notices/consultations

Key dates: Consultation is open between Thursday, 15 October and 5pm Wednesday, 4 November 2026.
