COMMUNITY CONSULTATION

Kangaroo Island Council is seeking community feedback on a **draft Community Engagement Policy**. Councils must adopt a Community Engagement Policy that is consistent with the new Community Engagement Charter.

What the Community Engagement Charter does

The new Community Engagement Charter replaces the old, detailed public consultation rules in the *Local Government Act 1999* and brings in new rules about how councils engage with their communities.

It sets different levels of required engagement based on how important a decision is:

- Significant – Annual Business Plan and Rating Policy
- Significant
- Standard
- Local
- Inform

Each level has minimum engagement requirements, for example:

- Minor matters, such as changes to council office hours or some road proposals, may only need information shared with the community.
- Major matters, like the Annual Business Plan, must include a public notice published in a local news publication and a chance for the community to give feedback.

The Community Engagement Policy will replace the council's current Public Consultation Policy.

Community consultation is now open for a period of 21 days commencing Thursday, 14 May 2026 and closing 5pm Wednesday 3 June 2026. You can review the draft policy on the Council's website and printed copies can be viewed at the Kingscote Civic Centre and the Penneshaw Community Business Centre.
