Council Meetings
11.00 am on Tuesday, 9 April 2024
11.00 am on Tuesday, 14 May 2024

FIXING ROADS AT AMERICAN RIVER

Please be advised of the following work to remediate roads at American Roads.

Council has received a financial contribution from SA Water to enable Council to complete a full road rehabilitation at American River.

Council has engaged Downer EDI Works, a contractor, to fix the section of Redbanks Road between Buick Drive and the end of the bitumen.

Works are due to start on **Friday, 22 March 2024, and, depending on weather conditions, are due for completion by Friday, 12 April 2024.**

In the meantime, traffic management and warning signs will be in place. The Council will conduct dust suppression until construction on the road begins.

Please adhere to posted speed limits and drive safely.

Tangara Drive is due for resurfacing next financial year by the Council. Council has collaborated with SA Water and received a financial contribution toward the full road reseal.

The Council will maintain the existing seal until the full reseal is complete. This work will significantly improve the trench-only reinstatement required by SA Water.

Council is working with SA Water to make sure that roads, under the care and control of the Council, are reinstated to a satisfactory standard.

Work on the upgrade the Pennington Bay Beach steps is continuing as planned.

Council appreciates the ongoing patience of beach users while this work takes place.

PENNESHAW

Please be advised of the information about work to extend the Community Wastewater Management System (CWMS) at Freycinet Way.

Works, including installation of pipes and access chambers, are scheduled to begin shortly. Affected residents have been notified in writing and will have vehicle access to their properties during this work.

Waste collection services will continue as usual.

Traffic controls are in place as required. Please observe all signage and any directions given by construction personnel.

PENNINGTON BAY

Work on the upgrade the Pennington Bay Beach steps is continuing as planned.

Council appreciates the ongoing patience of beach users while this work takes place.

ADVANCE NOTICE - SEAGERS ROAD

Re-sheeting and stormwater upgrades will be carried out on Seagers Road.

Depending on weather conditions, work is scheduled to begin in **early April 2024**. This project will take approximately **three months to complete**.

The crushing of materials for this project is already well-progressed.

COUNCIL LANDS MANAGEMENT PLAN

The Council Lands Management Plan has formally been amended.

The amended Plan and Public Notice identifying the amendments are available on inspection on Council's website: www.kangarooisland.sa.gov.au/council/plans/landplan.

For further information please contact Customer Service on 08 8553 4500.
