UPCOMING MEETINGS

Council Meeting
11.00 am, Tuesday 8 April 2025

Information Briefing Session
9.30 am, Thursday 17 April 2025

COMMUNITY CONSULTATION

Join us for our final Listening Post!

This is a great opportunity to chat with our CEO and Elected Members in an informal setting, share your thoughts, and ask questions about local issues.

Final Listening Post Details:

- Saturday 12 April – 9:00 am to 11:00 am – Vivonne Bay (General Store)

Video Link Option – If you're unable to attend in person, we're happy to arrange a chat via video link. Just reach out, and we'll set up a time that works for you! Just reach out, and we'll set up a time that works for you!

Call us on 08 8553 4500 or Email kicouncil@kicouncil.sa.gov.au.

Come along, have a conversation, and let's work together to shape the future of our Island!

Library Satisfaction Survey

Council are conducting a short survey to gather feedback from current and future Library users on their experiences, service needs, and program interests. The aim is to proactively identify opportunities for improvement and ensure our Library services continue to align with community expectations.

Your input is valuable, and the survey takes less than **3 minutes** to complete.

Scan QR below or visit <https://forms.office.com/r/NTA5aYER2h> to participate.

We encourage you to participate and share this with others who use or may be interested in using our Library services.

Satisfaction Survey

PUBLIC SAFETY ALERT

Are You Dumping a Ticking Firebomb?

Batteries hidden in waste are potential fire starters! When crushed in rubbish trucks and depots, they can ignite, causing dangerous fires. The Goolwa Depot recently had a close call with an e-scooter battery fire, following major damage to the Kangaroo Island Resource Recovery Centre last year.

Recycle Batteries & Gas Bottles for FREE

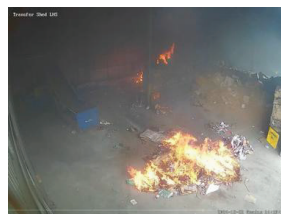

- No batteries in kerbside bins or hidden in waste
- Store separately & tape terminals to prevent sparks
- Drop off batteries for FREE at FRWA depots & other locations (www.becycle.com.au/drop-off)

NEW: FREE Gas Bottle Disposal

Empty gas bottles (up to 9kg) can now be dropped off for free at FRWA depots.

For safe battery storage: www.recyclingnearlyou.com.au/batteries

For FRWA depot info: www.frwa.com.au

WORKS AND INFRASTRUCTURE UPDATE

Gap Road Resheeting Works

Road resheeting and stormwater culvert extensions continue on Gap Road (Emu Bay Rd to Springs Rd). Local access only—motorists should use alternative routes where possible. Please follow speed limits and be mindful of workers and heavy machinery. Works are expected to finish by late April.

Kingscote CWMS Extension – Dutton St, Stokes Court & Investigator Way

CWMS installation is progressing well, with works currently on Investigator Ave. Trenching through the pedestrian access between Investigator Ave and Stokes Court will begin soon, requiring a temporary closure. Some dust, noise, and traffic controls are expected, especially during rock-breaking. Works are ahead of schedule—thank you for your patience!

Kerbing Works – Nepean St, Investigator Ave & Thisby St

Final road remediation around newly installed kerbing is underway and should be completed this week. Motorists, please follow traffic controls for safety.

Kohinoor Road Street Tree Trimming

Contractors are trimming bottlebrush street trees along Kohinoor Rd to improve road clearance. Traffic management is in place, and works should be completed this week. Thanks for your understanding.
