EXPRESSION OF INTEREST

The Council is seeking Expressions of Interest (EOI) from experienced contractors who can undertake fire prevention works prior to the coming bushfire season.

There are two divisions for work:

1. Private works for landowners
2. Council works - Contractors must be registered to undertake these works on behalf of Council

Interested parties are invited to submit their EOI for Bush Fire Prevention Works to kicouncil@kicouncil.sa.gov.au no later than **5:00pm on Friday, 6 September 2024.**

COMMUNITY INFORMATION

Penneshaw Foreshore Upgrade - following our community information sessions on 2nd & 3rd August, we have been advised by the Commonwealth Government that the Growing Regions funding for the Penneshaw Foreshore Upgrade remains delayed. We expect an update in early September.

Unfortunately, this means we are unable to start the project until the agreement is finalised. However, Council has all approvals and contractors ready to complete the first stage between Lloyd Collins Reserve and the KI Sculpture Trail entrance over the coming months.

Future stages are still scheduled for 2025.

Stay tuned for more updates and learn more about the project by visiting our website and keeping an eye on Council Matters. Thank you for your understanding and support!

WORKS AND INFRASTRUCTURE UPDATES

Tree Planting Continues

Street tree planting along Cygnet Road in Kingscote remains ongoing. This initiative aims to enhance the overall street environment. Please be mindful of contractors' vehicles and workers during this project, and pay attention to traffic control signage.

Stormwater Drain Cleaning Update

The Council Works Crew has been diligently removing silt and debris from stormwater structures in American River. This ongoing program ensures the maintenance and serviceability of our stormwater infrastructure.

Drainage Works Pipe Extension

Our Council Construction Team has been hard at work installing a stormwater culvert extension on McHughes Road. This improvement enhances traffic flow and safety in that area.

Possum Rescue

Recently, Council staff rescued a possum from a road accident. The joey pictured below is now under the care of the KI Wildlife Network, which will ensure its well-being until it can be released. If you encounter injured wildlife, please call 1300 KI WILD (549453).

GAZETAL NOTICE
