Annual Business Plan 2024 - 2025

The Draft Annual Business Plan (ABP) and Budget for 2024-2025 is currently out for public consultation and feedback prior to adoption by Council at its meeting on 9th July 2024.

It outlines the proposed program of work for the next financial year.

To read the draft Annual Business Plan please scan the QR code or visit Council's website www.kangarooisland.sa.gov.au.

A public meeting, information session to present the plan and receive community feedback will be held at the Council Chambers, 43 Dauncey Street, Kingscote on Thursday 6th June 2024 at 5.30PM.

Council is seeking written submissions to the proposed draft 2024/2025 Annual Business Plan and Budget by 5PM on Monday 10th June 2024.

PROJECT UPDATES

UNSEALED ROAD MAINTENANCE – CHURCH ROAD

The KI Council Works Team have recently been reinstating the road base at Church Road, Karatta. This has included carting rubble and minor road repair and patching.

This work was to remediate a section of this road where significant damage had been identified. These repairs will improve the safety of this road and reduce risk to motorists.

Waiting for rain

Kangaroo Island Council is eagerly awaiting the rain along with the community.

Adelaide has received the driest February to April since 1923 and Kangaroo Island's weather has been much the same.

The dry weather has limited the effectiveness of KI Councils unsealed road grading program, and the condition of the roads in general have deteriorated.

When the rain does arrive KI Council will be busy bringing the roads back to a suitable standard, but in the meantime please reduce your speeds on the roads and drive to the conditions.

RESHEETING AND STORMWATER UPGRADE – SEAGERS ROAD

Works continue on Seagers Road. The Contractor is carrying out initial re-sheeting operations, carting material from a nearby Council stockpile and installing it in accordance with the project requirements.

Motorists to be aware of the traffic management in place and movements of heavy plant in the area.

Loading road base material from stockpile for installation on site.

Spreading and compaction of road base material.

TREE TRIMMING – REEVES POINT

The Council Parks and Gardens Crew have been working at Reeves Point trimming and pruning trees as part of the ongoing maintenance program.

NEW IRRIGATION – KINGSCOTE CEMETERY

Recently an expansion to the irrigation infrastructure has occurred at the Kingscote Cemetery.

The newly installed irrigation will provide support for a grassed area at the back row of the cemetery.

LIBRARY – STORY TIME IS BACK!

The Customer Service team continue to make improvements to the library, and we are thrilled that Story Time is back!

Become part of our vibrant and lively story time session by joining in each and every Thursday from 11am.
