How can I provide feedback?

- Website: fill.in.online.form
- Email your feedback to kicouncil@kicouncil.sa.gov.au
- Post your feedback to PO Box 121, Kingscote SA 5223 or
- Drop off a hardcopy to Council's Kingscote Office or the Penneshaw Community Business Centre

PROJECT UPDATES

Freycinet Way Penneshaw – CWMS (Community Wastewater Management System) Project

Civil works have commenced along the northern end of Cape Willoughby Road as part of the Penneshaw CWMS upgrade and extension project. It's anticipated that the upgrade works will be complete in approximately six weeks (weather permitting).

Whilst works are being undertaken, motorists are asked to be observant of road traffic control signage and aware of mobile construction plant operating in the area.

PROJECT UPDATES

Centenary Avenue, Kingscote – School Crossing

Kangaroo Island Council has successfully completed construction of an Emu School Crossing at Centenary Ave, Kingscote. The crossing has been effective in increasing road safety for the community and has been operational since Wednesday, 15th of May 2024.

Please observe and follow the parking changes that have been implemented as part of the project, these include removal of the 'no parking zone' on the school side of the verge and the introduction of a small 'no parking zone' at the crossing on the opposite side to the school.

Seagers Road, MacGillivray – Re-sheeting & Stormwater Upgrade Project

Re-sheeting works to upgrade Seagers Road, MacGillivray are continuing to progress. The bulk installation of road base material is nearly complete, and works are now focusing on the storm water infrastructure upgrade. It is anticipated that the project will be complete by the end of June 2024.

Traffic management control measures continue to be in place and motorists are reminded to take care around the construction plant in the area.

Kingscote Tidal Pool – Access Ramp

Council has successfully completed construction of an access ramp at the Kingscote Tidal Pool. The installation of this community infrastructure will greatly improve accessibility to the beach for those with limited mobility.
