COMMUNITY INFORMATION

Did You Know? Penneshaw Community Business Centre Services

The **Penneshaw Community Business Centre (PCBC)** does a wonderful job providing a range of Council-related services, making it easy for Dudley Peninsula residents to book facilities, make payments, and access important information.

Services available at PCBC:

- Bookings & Payments – Including Dudley District Hall, boat launch permits (annual and 10-day), and annual camping permits
- Online assistance – Support for council campground bookings, Christmas Cove berthing, and pet registrations via DACO
- Council paperwork – Assistance with sourcing, printing, and completing Council forms such as hall hire and sponsorship applications
- Fleurieu Regional Waste Authority – Help with new waste bin applications, as well as purchasing waste management products like compost bins, food recycling bins, and bin clips
- Library services – Reserve and collect LibrarySA books through PCBC
- Council information – Access Council meeting agendas, minutes, notices, and publications
- Reporting issues & concerns – Staff can guide you on the right Council department to contact

PCBC is a fantastic community hub that helps residents stay connected with Council services. Visit them and see how they can assist you.

Penneshaw Community Business Centre

Open 9am - 5pm Monday - Friday

Open 9am - 12pm Saturdays

WORKS AND INFRASTRUCTURE UPDATE

Gap Road Re-sheeting Works

Work has commenced on re-sheeting Gap Road between Emu Bay Road and Springs Road, including stormwater culvert extensions.

Motorists are encouraged to use alternative routes where possible, as access is limited to local traffic only. Please drive with caution, be mindful of construction crews and heavy machinery, and observe the reduced speed limits in place.

KINGSCOTE CWMS EXTENSION - DUTTON ST, STOKES COURT & INVESTIGATOR WAY

Works are progressing on the installation of CWMS infrastructure to connect properties on Dutton St, Stokes Court, and Investigator Way that are not yet linked to the network.

The Horizontal Directional Drilling phase has been completed, and the contractor is finalising connections before trenching the pipeline towards Stokes Court, where it will be joined to the network.

Residents in the area may experience minor disruptions, including dust, noise, and traffic control measures, especially as trenching progresses through rocky sections. We apologise for any inconvenience and appreciate your patience during these essential works.

The contractor continues to make excellent progress and remains slightly ahead of schedule.
