

Important information

Bookings

Trips for Dial-a-Ride are scheduled based on current availability and bookings are required. People with disabilities are given a priority.

Trips may be requested up to 3 weeks in advance but no later than noon the working days prior (Thursday for a Friday trip and Monday for a Tuesday trip, unless that day is a public holiday).

Waiting List

If the schedule cannot accommodate your trip request, you will be placed on a waiting list. If space becomes available you will be added to the schedule and contacted with the pick-up and drop-off times for your trip and return.

Accessibility

Passengers needing physical assistance during their trip are encouraged to register a Care Attendant with ROCKHOPPER. The Care Attendant will not be charged a fare when riding with you. The bus used for Dial-a-Ride is lift equipped.

Pets

Companion animals are welcome aboard ROCKHOPPER vehicles and are the responsibility of the passenger. Pets, comfort and therapy animals may travel with passengers when in a passenger provided pet carrier designed for that purpose.

Cancellations

If you do not require your trip, please call and cancel as soon as possible. Cancellations received after 2pm the day before the scheduled trip are considered a "late cancellation". A pattern of late cancellations or no shows can result in a loss of travel privileges.
