

Important information

Bookings

Trips for the Western Route are scheduled based on current availability and bookings are required. People with disabilities will be given a priority.

Trips may be requested up to 3 weeks in advance but no later than noon the working days prior (Thursday for a Friday trip and Monday for a Tuesday trip, unless those days fall on a public holiday.).

Waiting List

If the schedule cannot accommodate your trip request, you will be placed on a waiting list. If space becomes available you will be added to the schedule and contacted with the pick-up and drop-off times for your trip and return.

Accessibility

Passengers needing physical assistance during their trip are encouraged to register a Care Attendant with ROCKHOPPER. The Care Attendant will not be charged a fare when riding with you. Passengers with physical or cognitive disabilities which keep them from boarding the bus in a general pick-up or drop-off location may request a Door to Door service.

The bus used for the Western Route is lift equipped.

Pets

Companion animals are welcome aboard ROCKHOPPER vehicles and are the responsibility of the passenger. Pets, comfort and therapy animals may travel with passengers when in a passenger provided pet carrier designed for that purpose.

Cancellations

If you do not require your trip, please call and cancel as soon as possible. Cancellations received after 2pm the day before the scheduled trip are considered a "late cancellation". A pattern of late cancellations or no shows can result in a loss of travel privileges.
